*\*As stated in sections A.7 Additional Testing & B.5 Testing of Additional Units of the IGCC Laboratory Manual, some labs may charge additional fees for thermal breakage and/or additional testing in ASTM E2190 testing (if applicable). These fees will be issued by and paid directly to the lab. IGCC will not be responsible for issuing fees associated with thermal breakage and/or additional testing. Please be sure to confirm with your lab of choice if additional fees may be accrued prior to testing.*
